## OATS

As one of the few oats manufacturing plants in the GCC, Al Ghurair Foods has been supplying local and international manufacturers and private labels with high volume quantities of oats for more than three decades. Using superior ingredients every step of the way, we make a wide variety of oats products including large jumbo oats, flaked whole groats and 'quick cook' oats. Our state-of-the-art oats plant is yet another demonstration of our commitment to provide premium, healthy food to the global communities we serve. In response to the growing consumer demand for oats and oats products we have increased volume and continue to invest in the development of our technology and processes so that our customers receive delicious freshly milled oats.

على مدار أكثر من ثلاثة عقود قامت شركة الغريير للأغذية بتزويد المصنعين وأصحاب العلامات الخاصة بإمدادات هائلة من الشوفان. مستخدمين أجود المكونات في كل مرحلة من مراحل التصنيع ننتج تشكيلة واسعة من منتجات الشوفان بما في ذلك قطع الشوفان الكاملة والشوفان المجروش الكامل الحبة والشوفان السريع الطهي.
